

York District - Palmetto Council, BSA 2009 MERIT BADGE COLLEGE

Scout Registration: Troops can register via e-mail, mail or hand delivery from November 14, 2008 to December 15, 2008. Registration forms are attached and will be available via e-mail. The registration process is the act that links your scouts to their merit badge choice.

The 2009 York District Merit Badge College is a little different this year from years past. All class instruction will be completed within a single session (morning or afternoon). This should make it easier for scouts and instructors while still providing the scouts with the opportunity to earn up to six merit badges if they desire.
